**3/2021. (XI.10.) Dean's Instruction  
On the mandatory use of masks ordered by the  
Keleti Károly Faculty of Business and Management**

Due to the increase in the fourth wave of the coronavirus epidemic and the increase in the number of faculty cases, I order the following:

From 11/11/2021 it is mandatory to wear a mask to cover the nose and mouth in the interior of the Faculty (community rooms, classrooms, reception rooms, offices and corridors).

This rule also applies to colleagues, outside guests and organizers attending events organized in the Faculty building.

A person giving a presentation at attendance sessions (eg lecture, seminar, practical classes) and events during the session or during the lecture is exempted from wearing a mask. An exception to the rule is the office environment of university employees if they are there alone.

This instruction shall enter into force on 11 November 2021 and shall remain in force until revoked.

Dr. habil Mónika Garai-Fodor
