Bridges and Roads - II Innovation Conference

From opportunity to action

CORVINUS UNIVERSITY and the UNIVERSITY OF PANNONIA FACULTY OF BUSINESS AND ECONOMICS will organise the "Bridges and Roads II Innovation Conference - Turning Opportunity into Action" on 24-25 November 2022. Professional supporting partner of the conference is the National Research, Development and Innovation Office.

Date: 24-25 November 2022 **Location:** Corvinus University of Budapest, Building E, 1093 Budapest, Fővám tér 8.

The economic and social importance of the innovation capacity and activities of companies and organisations is indisputable. Finding and showing direction in our turbulently changing economic and social environment, innovation contributes to understanding the present, mapping the future and turning ideas into action. The aim of the 2nd Innovation Conference is to create an opportunity for a common and diverse thinking on innovation, to share professional knowledge on innovation, and to contribute to a more successful and competitive domestic entrepreneurial sector and a more developed and prosperous innovation ecosystem.

Papers are invited on the following topics, for which abstract submissions (max 250 words) can be sent to innovacio@uni-corvinus.hu by **31 October 2022**:

- Innovations in the financial sector
- Education and innovation
- Enterprises and the innovation ecosystem
- Social and green innovation
- Sport and innovation
- Energy and innovation
- Management of technological innovation
- PhD section (in English only)

The conference abstracts will be published in Hungarian and English (PhD section), and the papers selected by the invited jury will be published in a special issue of the Review of Economic Theory and Policy. The conference will award a prize for the Best Lecturer and the Best PhD Candidate Lecture!
